

MES in the NEWS !
Classroom publicity

Please fill in the blanks below

Teacher: _____

What happened ? (Ex. Class took a field trip to the zoo.)

When did it happen?

Where did it happen? (Ex. Audubon Zoo or more specific location within zoo depending on picture)

Who did it happen to? (Ex: the entire class, gifted classes, etc.)

Additional interesting details: (The class culminated a study on oviparous animals by visiting several oviparous species at the Zoo. Students spent the day observing and studying the animals and their eggs. Biologist Bob Smith discussed the differences in Reptile and Avian eggs with the students.)

PHOTO: Identify from left to right who is pictured by first and last names and what they are doing.
